August 11, 2020

Dear Parents and Guardians,

Starting August 19, 2020, meal service will resume at all school sites. Distribution will be Mondays and Wednesdays between the hours of 12:00 - 1:00pm. Monday's service will include lunch for Monday and Tuesday and breakfast for Tuesday & Wednesday. Wednesday's service will include lunch for Wednesday, Thursday and Friday and breakfast for Thursday, Friday and Monday.

Drive through and walk up methods will be available. Student ID numbers will need to be entered into the Point of Sale system when meals are distributed. You will be provided a placard with your students Id number during iPad distribution. Please bring the placard when picking up meals.

Students do not need to be present for meal pick up.

Only students enrolled in Santee School District will receive meals at "NO COST" through August 31st. Starting September 1, 2020 meal charging policies may revert to charging for meals based on student eligibility.

Students attending Project SAFE will be served lunch daily and provided a breakfast for the next morning.

Meals will be provided to students attending Project SAFE Starting September 1, 2020 meal charging policies may revert to charging for meals based on student eligibility.

Free and reduced applications will also be distributed with iPads. We encourage you to apply for free or reduced meals. If you qualify for free or reduced meals, you may qualify for free internet and or other helpful services. Online applications are also available at www.santeesd.net

Sincerely,

Cathy Abel
Director of Child Nutrition Services
Santee School District
