Santee School District

**From:** District Office <info@santeesd.net>

**Subject:** Reopening Update

---

Parents/Guardians,

As many of you are aware, we began implementing our school campus re-opening timeline with the entry of our State preschool children on September 8 and our special day class children this week. We are moving forward with our TK/Kindergarten start date of Thursday, September 24 and grades 1 – 8 on Monday, September 28. We are thrilled to have our students back on campus.

You have likely heard that San Diego County may be entering into a more restrictive State monitoring tier as of Tuesday, September 22, thereby restricting a school district's timeline for in-person learning. Because we have already started our re-opening timeline and we can meet our obligations noted in our Safe at School Re-Opening Plan, we plan to move forward with our re-opening timelines as previously shared.

We are excited about having all our students returning this month and we know they are too!

Sincerely,

Dr. Kristin Baranski  
Superintendent
