**2. Expulsion** - A student may be recommended for expulsion for any of the reasons enumerated in Education Code section 48915, and pursuant to the expulsion procedures identified in Education Code sections 48918 and 48918.5.

**C. Sexual Harassment Policy-EC 231.5, 48980(g), 48900.2** - SSD will not tolerate sexual harassment by anyone participating in any SSD program or activity. This includes student-to-student or peer sexual harassment as well as harassment between a student and any SSD participant. SSD takes all complaints of sexual harassment seriously, investigates and addresses identified sexual harassment, and if the investigation results in the determination that sexual harassment has occurred, takes reasonable, immediate corrective action to stop the harassment, eliminate a hostile environment, and prevent future sexual harassment. Alleged pupil sexual harassment in violation of SSD policy or federal or state law will be handled pursuant to SSD policy and procedures which can be found online at [www.santeesd.net/Page/23](http://www.santeesd.net/Page/23). A pupil in grades 4 to 8, inclusive, may be suspended from school or

recommended for expulsion if the superintendent or principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined below:

California Education Code section 212.5 defines sexual harassment as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:

- a) Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.
- b) Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
- c) The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- d) Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

**D. Hate Violence-EC 48900.3** - A pupil in any of grades 4 to 8, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, or threatened to cause, or participated in an act of, hate violence, as defined in EC 233(e).

**E. Harassment, Intimidation or Threats-EC 48900.4** - A pupil enrolled in any of grades 4 to 8, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against SSD personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.

**F. Terroristic Threats Against School Officials, School Property or Both-EC 48900.7** - A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both. A "terroristic threat" includes any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

**G. Suspension/Expulsion: Alternative and Other Means of Correction-EC 48900, 48900.5, 48911**  
Generally, suspension shall be imposed only when other means of correction fail to bring about proper conduct. SSD may document other means of correction short of suspension and expulsion and place the documentation in the pupil's record. Other means of correction may include: a conference between school personnel, the pupil's parent or guardian and the pupil; referrals to the school counselor or psychologist; study teams, guidance teams or other intervention-related teams that assess behavior and develop and implement behavior plans; referral for psycho-educational assessment; after-school programs that address specific behavioral issues; and community service on school grounds during non-school hours. A pupil may be suspended, for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil's presence causes a danger to persons. A suspension shall be preceded by an informal conference between the principal, the principal's designee or the

district's superintendent of schools and the pupil, and whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At this conference, the pupil shall be informed of the reason for the disciplinary action and other means of correction that were attempted before the suspension.

**CALIFORNIA HEALTHY YOUTH ACT-EC 51934, 51938** Students enrolled in SSD programs or activities may receive instruction in personal health and public safety, which may include accident prevention, first aid, fire prevention, conservation of resources, and health education including comprehensive sexual health education and HIV prevention.

SSD plans to provide comprehensive sexual health education and HIV prevention education during the 2019-2020 school year. The instruction shall include, among other things, information about sexual harassment, sexual abuse, and human trafficking. Information on human trafficking shall include both of the following: a) Information on the prevalence, nature and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and b) Information on how social media and mobile device applications are used for human trafficking.

Students will be taught by SSD personnel. If SSD decides to arrange for an outside consultant to provide comprehensive sexual health education and/or HIV prevention education, SSD will provide notice to parents no fewer than 14 days before the instruction is delivered by mail or another form of communication.

A pupil's parent or guardian has the right to request from SSD, a copy of the California Healthy Youth Act, Education Code section 51930 *et. seq.* A pupil's parent or guardian also has the right to inspect and review the written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.

A pupil's parent or guardian may submit a written request to excuse the pupil from participation in any class involving comprehensive sexual education or HIV prevention education by submitting their request in writing to SSD.

SSD may administer for pupils in grades 7 and 8 inclusive, anonymous, voluntary, and confidential research and evaluation tools to measure pupils' health behaviors and risks, including tests, questionnaires, and surveys containing age-appropriate questions about the pupil's attitudes concerning or practices relating to sex. A parent or guardian may excuse their child from the test, questionnaire, or survey by opting out of their student's participation in the tests, questionnaires or surveys. An opt-out form is provided within these notifications. Parents or guardians have a right review the test, questionnaire, or survey if they wish.

The excused pupil shall not be subject to disciplinary action, academic penalty, or other sanction if the pupil's parent or guardian declines to permit the pupil to receive comprehensive sexual health education or HIV prevention education or to participate in anonymous, voluntary, and confidential tests, questionnaires, or surveys on pupil health behaviors and risks.

While comprehensive sexual health education, HIV prevention education, or anonymous, voluntary, and confidential test, questionnaire, or survey on pupil health behaviors and risks is being administered, an alternative educational activity shall be made available to pupils whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey. More information can be found online at [www.santeesd.net/Page/24](http://www.santeesd.net/Page/24), BP 6142.1.

**PUPIL SAFETY: HUMAN TRAFFICKING PREVENTION RESOURCES-EC 49381**

The governing board of SSD will work with their schools that maintain any grades 6 to 8, inclusive, to identify the most appropriate methods of informing parents and guardians of pupils in those grades of human trafficking prevention resources and to implement the identified methods in those schools by January 1, 2020.

**PUPIL NUTRITION-EC 49510-49520; 49564-49564.5** - Free or reduced-priced meals are available for pupils in receipt of public assistance. Meal program details are provided at the pupil's school site. All parents and guardians receive a letter with the application form upon enrollment. To apply for free or

reduced-price meals, households must fill out the application and return it to the school or apply online at [www.santeesd.net](http://www.santeesd.net), Departments, Child Nutrition.

**IMMUNIZATION AND COMMUNICABLE DISEASES-EC 48216, 49403** – SSD shall follow all laws, rules, and regulations regarding immunizations required for students to enroll. SSD shall not admit any student until the student is properly immunized as required by law. If there is good cause to believe a student has been exposed to a disease and his or her proof of immunization does not show proof of immunization against that disease, SSD may temporarily exclude the child from school until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease. If the parent or guardian files with the governing authority a written statement by a licensed physician to the effect that the physical condition of the child is such, or medical circumstances relating to the child are such, that immunization is not considered safe, indicating the specific nature and probable duration of the medical condition or circumstances, including, but not limited to, family medical history, for which the physician does not recommend immunization, that child shall be exempt from the immunization requirements.

Effective January 1, 2016: The California Legislature eliminated the exemption from specified immunization requirements based upon personal beliefs. A pupil who, prior to January 1, 2016, submitted a letter or affidavit on file with SSD stating beliefs opposed to immunization shall be allowed enrollment to any SSD school until the pupil enrolls in the next grade span. Grade span means (1) from birth to preschool; (2) Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten; and (3) grades 7 to 8 inclusive.

**MEDICATION-EC 49423** - Any student who must take prescribed medication at school and who desires assistance of school personnel must submit a written statement of instructions from the physician or physician assistant and a parental request for assistance in administering the medications. Any student may carry and self-administer prescription auto-injectable epinephrine only if the student submits a written statement of instructions from the physician or physician assistant and written parental consent authorizing the self-administration of medication, providing a release for the school nurse or other personnel to consult with the child's health care provider as questions arise, and releasing the SSD and personnel from civil liability if the child suffers any adverse reaction as a result of the self-administration of medication.

**CONTINUING MEDICATION REGIMEN-EC 49480** - The parent or legal guardian of any pupil on a continuing medication regimen for a non-episodic condition shall inform the school nurse or other contact person of the medication being taken, the current dosage, and the name of the supervising physician. With the consent of the parent or legal guardian of the pupil, the school nurse may communicate with the physician and may counsel with the school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

**MEDICAL AND HOSPITAL SERVICES FOR PUPILS-EC 49471, 49472** - SSD does not provide medical or hospital services for pupil injuries arising out of school-related activities. However, you may secure insurance for a nominal fee to help cover the costs of medical care for accidents to your children while participating in school activities or while going directly to and from school. For an additional charge, you may purchase 24-hour coverage. The school has information available on the policy and its cost. Questions pertaining to the insurance coverage and/or how claims are administered may be answered directly by contacting Pacific Educators Inc., Insurance Services at (800) 722-3365. Information is normally distributed at the beginning of the school year. Student accident insurance brochures are also available on the Santee School District's website: [www.santeesd.net/Page/78](http://www.santeesd.net/Page/78).

**PUPILS WITH TEMPORARY DISABILITIES; INDIVIDUAL INSTRUCTION-EC 48206.3, 48207, 48207.3, 48207.5, 48208** - Special individual instruction (as distinct from independent study) is available for students with temporary disabilities that make attendance at school impossible or inadvisable. Parents or guardians should first contact the principal to determine services.

**DISABLED PUPILS-SECTION 504 OF THE REHABILITATION ACT OF 1973**

Section 504 of the federal Rehabilitation Act of 1973, and the Americans with Disabilities Act (42 USC 12101, et seq.) prohibits discrimination on the basis of disability. Section 504 requires school districts to identify and evaluate children with disabilities in order to provide them a free, appropriate public education. Individuals with a physical or mental impairment that substantially limits one or more major life activities, including seeing, hearing, walking, breathing, working, performing manual tasks, learning, eating, sleeping, standing, lifting, bending, reading, concentrating, thinking, speaking, are eligible to receive services and aids designed to meet their needs as adequately as the needs of non-disabled students are met.

- Your student's school site Vice Principal is the contact for implementing Section 504. You may also contact Mike Olander, Director of Pupil Services and Student Behavior, at 619.258.2233.
- Screening and evaluation procedures are used by SSD when there is a reason to believe a student has a disability under Section 504.
- A student has the right to a written accommodation plan if the student qualifies for services under Section 504.
- A student has the right to be educated with non-disabled students to the maximum extent appropriate based on the student's needs.
- A copy of the parents or guardian's legal safeguards can be obtained on the SSD website under special education.

**SPECIAL EDUCATION: CHILD FIND SYSTEM-IDEA; EC 56301** - Federal and state law require that a free and appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. Any parent suspecting a child has exceptional needs due to a disability may request an assessment for eligibility for special education services. SSD's child find policy and procedures are available at [www.santeesd.net/Page/607](http://www.santeesd.net/Page/607).

**PHYSICAL EXAMINATION; PARENT REFUSAL TO CONSENT-EC 49451** - A parent or guardian may, by written statement filed annually, refuse to consent to the physical examination, including the vision, hearing and oral health screening, of his/her child; however, a child may be sent home if, for good reasons, he or she is believed to be suffering from a recognized contagious or infectious disease [Educ. Code 49451]. School children are examined for vision, hearing, and oral health at selected grade levels. An opt-pit form is included within this notification. Education Code 49455 requires a pupil's vision to be appraised by the school nurse or other authorized person during kindergarten or upon first enrollment or entry in a California school district of a pupil at an elementary school, and in grades 2, 5, and 8, unless a pupil's first entry or enrollment occurs in grade 4 or 7.

**CHILD HEALTH AND DISABILITIES PREVENTION PROGRAM-HSC 124085, 124105**

Before a child enters first grade, his or her parents must obtain a waiver or health screening for the child and complete the provided certificate or sign a waiver. The screening should take place before (within the prior 6 months) or during the kindergarten year. Parents are encouraged to obtain health screening simultaneously with required immunizations. Parents may inquire in the school office about free health screenings for low-income children provided under the Child Health and Disabilities Prevention Program.

**FOSTER YOUTH BILL OF RIGHTS – EC 48853; 48853.5; 49069.5; 51225.1; 51225.2**

“Foster child” means a child who has been removed from his or her home pursuant to Section 309 of the Welfare and Institutions Code (“WIC”), is the subject of a petition filed under Section 300 or 602 of the WIC, or has been removed from his or her home and is the subject of a petition filed under WIC section 300 or 602.

A foster child who is placed in a licensed children's institution or foster family home shall attend programs operated by the local educational agency in which that licensed children's institution or foster family home is located, unless one of the following applies: (1) The pupil is entitled to remain in his or her school of origin; (2) The pupil has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency. (3) The parent or guardian, or other person holding the right to make educational decisions for the pupil pursuant to Section 361 or 726 of the WIC or Section 56055 (“educational rights holder”), determines that it is in the best

interests of the pupil to be placed in another educational program and has submitted a written statement to the local educational agency that he or she has made that determination. This statement shall include a declaration that the parent, guardian, or educational rights holder is aware of all of the following:

- (A) The pupil has a right to attend a regular public school in the least restrictive environment.
- (B) The alternate education program is a special education program, if applicable.
- (C) The decision to unilaterally remove the pupil from the regular public school and to place the pupil in an alternate education program may not be financed by the local educational agency.
- (D) Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent, guardian, or educational rights holder.

The parent or guardian, or educational rights holder shall first consider placement in the regular public school before deciding to place the foster child in a juvenile court school, a community school, or another alternative educational setting.

A foster child may still be subject to expulsion under applicable law and board policy.

Foster youth are subject to other laws governing the educational placement in a juvenile court school, of a pupil detained in a county juvenile hall, or committed to a county juvenile ranch, camp, forestry camp, or regional facility, notwithstanding the rights contained in this notice.

Foster children living in emergency shelters (as referenced in the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 11301 et seq.)), may receive educational services at the emergency shelter as necessary for short periods of time for either of the following reasons: (1) For health and safety emergencies. (2) To provide temporary, special, and supplementary services to meet the child's unique needs if a decision regarding whether it is in the child's best interests to attend the school of origin cannot be made promptly, it is not practical to transport the child to the school of origin, and the child would otherwise not receive educational services.

The educational services may be provided at the shelter pending a determination by the educational rights holder regarding the educational placement of the child.

All educational and school placement decisions shall be made to ensure that the child is placed in the least restrictive educational programs and has access to academic resources, services, and extracurricular and enrichment activities that are available to all pupils. In all instances, educational and school placement decisions shall be based on the best interests of the child.

SSD has designated Meredith Riffel as the educational liaison for foster children. The role of educational liaison is advisory with respect to placement decisions and determination of school of origin and does not supersede the role of the parent or guardian retaining educational rights, a responsible adult appointed by the court, a surrogate parent or a foster parent exercising their legal rights with respect to the foster child's education. The educational liaison serves the following roles: (1) Ensures and facilitates proper educational placement, enrollment in school, and checkout from school for foster children; (2) Assists foster children when transferring from one school to another school or from one school district to another school district in ensuring proper transfer of credits, records and grades. (3) When designated by the Superintendent, notifies a foster child's attorney and child welfare agency representative(s) of pending disciplinary proceedings and pending manifestation determination proceedings if the foster child is also eligible to receive special education and related services under the IDEA.

At the initial detention or placement by the Juvenile Court, or any subsequent change in placement of a foster child by the Court, the local educational agency serving the child shall allow the foster child to continue his or her education in the school of origin for the duration of the jurisdiction of the court. If the jurisdiction of the court is terminated prior to the end of the academic year: (1) Former foster children in grades kindergarten, or 1 to 8, inclusive, shall be allowed to continue his or her education in the school of origin through the duration of the academic year; (2) Former foster children in high school shall be allowed to continue his or her education in the school of origin through graduation; (3) Transportation is not required unless the former foster child has an IEP and the IEP team determines transportation is a necessary related service, required by the unique educational needs of the pupil in order to benefit from their special education program. Transportation may be provided at the local educational agency's

discretion. The rights of foster youth do not supersede any other law governing special education for eligible foster children. (4) To ensure that the foster child has the benefit of matriculating with his or her peers in accordance with the established feeder patterns of school districts, if the foster child is transitioning between school grade levels, the foster child shall be allowed to continue in the school district of origin in the same attendance area, or, if the foster child is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, to the school designated for matriculation in that school district.

In consultation with the foster child and educational rights holder, the educational liaison may recommend that the foster child waive his or her right to attend the school of origin and enroll in a public school within his or her attendance area. The educational liaison's recommendation must be accompanied by a written explanation for the basis of the recommendation and how it serves the foster child's best interests.

(1) If the educational liaison, foster child and educational rights holder agree it is in the best interest of the foster child to waive his or her right to attend the school of origin and attend the recommended school, the foster child shall immediately be enrolled within the recommended school. (2) The recommended school shall immediately enroll the foster child regardless of any outstanding fees, fines, textbooks or moneys due to any previous schools of attendance or if the foster child is unable to produce clothing or records normally required for enrollment, such as previous academic records, medical records, including proof of immunization, proof of residency or other documentation. (3) Within two business days of the foster child's request for enrollment, the educational liaison for the new school shall contact the school last attended by the foster child to obtain all academic and other records. The last school attended by the foster child shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. The educational liaison for the school last attended shall provide a complete copy of the foster child's education record to the new school within two business days of receiving the request.

If any dispute arises as to the school placement of a pupil under this section, the pupil has the right to remain in his or her school of origin, pending resolution of the dispute.

"School of origin" means the school that the foster child attended when permanently housed or the school in which the foster child was last enrolled. If the school the foster child attended when permanently housed is different from the school in which the foster child was last enrolled, or if there is some other school that the foster child attended with which the foster child is connected and that the foster child attended within the immediately preceding 15 months, the educational liaison, in consultation with, and with the agreement of, the foster child and the educational rights holder, shall determine, in the best interests of the foster child, the school that shall be deemed the school of origin.

If the foster child is absent from school due to a decision to change the placement of the foster child made by a court or placing agency, the grades and credits of the foster child will be calculated as of the date the foster child left school and no lowering of grades will occur as a result of the absence of the foster child under these circumstances. If the foster child is absent from school due to a verified court appearance or related court ordered activity, no lowering of his or her grades will occur as a result of the absence of the pupil under these circumstances.

The local educational agency shall accept coursework satisfactorily completed by a foster child or homeless youth while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and issue that pupil full or partial credit for the coursework completed.

A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations. A complainant not satisfied with the decision of a local educational agency may appeal the decision to the CDE and shall receive a written decision regarding the appeal within 60 days of the CDE's receipt of the appeal. If a local educational agency finds merit in a complaint, or the Superintendent finds merit in an appeal, the local educational agency shall provide a remedy to the affected pupil.
