6th Grade Math/Science Curriculum

MATH:

This year we will learn about...

- Ratios & Proportional Relationships
- The Number System
- Expressions & Equations
- Geometry
- Statistics & Probability

SCIENCE:

This year we will learn about...

- Cells → Organisms
- Inheritance and Variation of Traits
- Weather and Climate
- Energy
- Engineering Design Process

Assignments & Grading

You will be graded on...

1. Unit Tests/Checkpoints
2. Projects/Activities
3. Effort (including Classwork + Homework)
4. Participation

→ You can monitor grades using your PowerSchool Parent/Student access codes. If you need this information, please let me know.

Grades are determined by the percentage of total points earned. The following scale will be used:

A: 90-100%

B: 80-89%

C: 70-79%

D: 60-69%

F: 59% and below

Classroom Policies

ABSENCE:

It is expected that you will be on time each day ready to learn. If you are absent, it is your responsibility to complete missing assignments. You have the number of days you were absent to turn in your missing work. All absent work will be filed in the student center under the date you were not here.

LATE/MISSING WORK:

Late work is better than no work. You will have up until the unit test to turn in late work for partial credit.

TECHNOLOGY:

We will have the opportunity to work with various devices in our classroom. It is expected that all students practice digital citizenship and use technology appropriately. Cell phones must stay in backpacks and should NOT be taken out at school.

HONESTY:

All work that you turn in must be your OWN work. Dishonesty or copying work will result in a zero for that assignment and referral for discipline.

SMILE!

I like to take photos of our classroom community to document student work and share memories. If you do not want your child photographed, please email me.

Classroom Expectations

1. Take responsibility for your learning
2. Show respect for others
3. Participate in our positive learning community
4. Have fun!

Please sign, cut, and return to Ms. Sweetman

I have read and understand the course syllabus for Ms. Sweetman's 6th grade Math/Science class.
