

Santee School District

SCHOOL CLOSURE UPDATE

SCHOOLS:

Cajon Park
Carlton Hills
Carlton Oaks
Chet F. Harritt STEAM
Hill Creek
Pepper Drive
PRIDE Academy
at Prospect Avenue
Rio Seco
Sycamore Canyon
Alternative
Success Program

We hope this communication finds you healthy and in good spirits!

During our statewide stay at home order, Santee School District will continue to support your children through the provision of free meals and access to grade level curriculum. Our meal program will continue through spring break, Monday - Friday. Please see the options below to access the optional curriculum developed during our closure.

Breakfast and Lunch Program

We have served over 3,000 meals during our first four days of closure this week. Breakfast and lunches will continue to be provided through April 10, free of charge, at our district office, 9880 Riverwalk Drive, 11 a.m. - 1 p.m., as a drive through service.

Learning Resources

Our instructional team has compiled grade level curriculum for your child. Here are instructions on how to find this content:

1. For students who have their district-issued iPad at home, there are several files on your student's iPad containing optional math, reading, and writing enrichment activities. Instructions for accessing these materials can be found on the following District webpage: <http://www.santeesd.net/supportresources>. This updated webpage includes a video tutorial on how to access the content.
2. If your child did not take his or her iPad home, you can download these materials from the same webpage listed above from any personal device.
3. If you prefer printed materials, beginning Monday, March 23rd - Friday, March 27, grade level packets will be available for pickup at the Educational Services building, 9619 Cuyamaca Street, from 8 a.m. - 3 p.m.
4. If you want printed materials and are unable to pick up the packets as noted above, please complete the form at the bottom of the District webpage: <http://www.santeesd.net/supportresources>. Material will be mailed to the address provided.

Please send any general inquiries to info@santeesd.net.

Sincerely,

Dustin Burns
Board President

Kristin Baranski, Ed.D.
Superintendent
