Subject: All Staff Survey June 26 - July 3, 2020

Hi, Staff.

In this week's staff update, I mentioned that we'd be sending you a staff input form by Monday. Please use the following link to help us generate ideas and to provide your comments on the indicated content. All input is due by 4 pm on Friday, July 3. Parents are receiving a separate link, same content, via school messenger today. Our Board will hear the summary of input, by themes, at the July 7 Board meeting.
