Subject: **Update - School Closures**

Date: March 16, 2020

As we continue to monitor our school closure process, please continue to check your email frequently for updates from district and site staff, as well as our families, if applicable.

We are working on decreasing the number of employees needed to operate on a day-to-day basis. However, please remember in accordance with Government Code 3100, we are all district service workers and required to work during an emergency if called upon to do so.
