Success Program

To: All Santee School District Employees  
From: Dr. Kristin Baranski, Superintendent  
Subject: **Update - School Closures**

Date: March 17, 2020

**Today will be our last day to offer "emergency care services" to our families in Santee.** The County of Public Health amended their original order, which now includes the discontinuation of any activities where students are present on school campuses.

Out-of-school time programs and schools will be officially closed beginning tomorrow, March 18. Our maintenance and operations director, Bryce, and site principals will be in contact with site custodial staff regarding ongoing needs at each school site.

As we clean classrooms, we will begin restricting access to classrooms shortly. If you need something from your classroom, please plan on getting what you need today or tomorrow at the latest.

Please continue to check your email for updates. Stay healthy, everyone!
