Hi, everyone. I hope you are all doing okay. I sure miss being with you all.

We had a large influx of optional curriculum packet requests over the past couple days. Our curriculum and technology department have mailed over 600 packets to homes and our many of our families drove by Ed Services today for packet pickups as well.

After today's food service by our nutrition department, Child Nutrition Services has served approximately 5,000 meals. They are averaging almost 1,000 meals a day.
