To: All Santee School District Employees
From: Dr. Kristin Baranski, Superintendent
Subject: **Update - School Closures**

Date: March 24, 2020

For spring break, Monday, March 30 – April 9, Project SAFE and YALE will be re-opening their doors to parents who work as first responders or who work in the health care profession. We anticipate care will be required for around 60 – 70 children. Our Director of Project SAFE, Pam Brasher, will be following orders of the San Diego Public Health Department in maintaining proper staffing ratios and other preventative practices.

After today's food service by our nutrition department, Child Nutrition Services has served approximately 6,000 meals.

Each school staff will be holding e-meetings across the District on Thursday afternoon. It will be nice for school staff to reconnect with one another even if by electronic means.
