To: All Santee School District Employees
From: Dr. Kristin Baranski, Superintendent
Subject: **Update - School Closures**

Date: March 26, 2020

School staff, around 500 of our employees, met electronically today with site principals. Staff learned of our contingency plans should we be unable to return to the school sites after spring break. On March 31, we are expecting an update from the San Diego County Public Health Department regarding our current public health orders, which expire on March 31. We will keep you (and our families) updated on what we learn during that County meeting and if the content shared will impact our return to the school site after spring break.

After today's food service by our nutrition department, Child Nutrition Services has served 8,000 meals.

Tomorrow's message will be a little different and we hope you enjoy it!
