To: All Santee School District Employees
From: Dr. Kristin Baranski, Superintendent
Subject: **Update - School Closures**

Date: April 3, 2020

March 17, 2020 EdSurge Article:

This article was shared with me today and I think you will see some similarities in the recommendations we are providing as we return from spring break. Dr. Stephanie Pierce and her team have been working non-stop this past few weeks (thank you, all!) to allow our staff to focus on *how* to communicate remotely with all children, every day. This is a timely article for us all to read.

Essential Employee Document (included in my 4.2.2020 update as well)

In my email as an attachment, I've included an essential employee document that you will want with you when you drive to and from work. **This hasn't been an issue for anyone in our district** but we also don't want you caught in an uncomfortable situation if asked about travel to and from home and work someday.

You will want to print this document and insert your name, handwritten or typed.

Child Nutrition Services

After today's food service by our nutrition department, Child Nutrition Services has served 14,000 meals.

Today's teaser: Monday's all staff communication will be another special video message.
