

4th and 5th Grade Classroom Wish List 2020/2021

Considering the difficult times that we find ourselves in, the Fourth and Fifth grade teachers at Chet are requesting that no supplies be donated to the classroom. Instead if you want to buy Back to School items to celebrate the new school year, that you keep them at home in a study space for your child to use for homework. Our classrooms will have paper and pencils for the children to use. Some helpful items your child might need at home are college ruled notebook paper, pencils, crayons and markers. The other item would be a folder or binder for their backpack.

With respect,

The Fourth and Fifth Grade Team
