

Program Description

YALE accepts children between the ages of 2 years and 9 months through 5 years of age who are toilet trained and developmentally ready for group experiences.

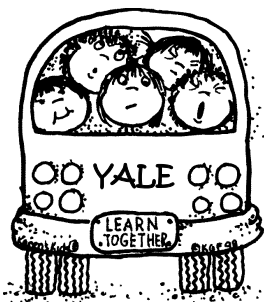

Staffing

YALE staff are highly qualified, with experience and units in Early Childhood Education. All staff are CPR, First Aid, and AED certified and submit to pre-employment drug screening and background checks.

Enrollment

The Santee School District is non-discriminatory. We value diversity and respect the principles held by the families in our community.

All enrollment forms must be completed and received by the district before children may begin the YALE Program.
