

**ALCOHOL AND OTHER DRUGS** (continued)

All instruction and related materials shall consistently state that unlawful use of alcohol or other drugs is wrong and harmful. Instruction shall not include the concept of responsible use of drugs or alcohol when such use is illegal.

The district shall offer staff development activities for staff who implement the comprehensive drug and alcohol prevention and intervention program.

**Intervention, Referral and Student Assistance Programs**

School staff, students and parents/guardians shall be informed about early warning signs which may indicate alcohol and other drug use and about appropriate agencies offering intervention programs, counseling, referral and other student assistance programs.

The Board strongly encourages any student who is using alcohol or drugs to discuss the matter with his/her parent/guardian or with any staff member. Students who disclose their use of alcohol or other drugs when seeking help from an intervention or recovery program shall not be disciplined for such use.

**Enforcement/Discipline**

The Superintendent or designee shall take appropriate action to eliminate possession, use or sale of alcohol and other drugs and related paraphernalia on school grounds or at school-sponsored activities.

Students possessing, using or selling alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures including suspension or expulsion and/or referral to law enforcement in accordance with law, Board policy and administrative regulation. In addition, such students may be referred to an appropriate counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.
