

Calling all artists!

Would you like to create an original piece of art to be framed?

The Santee School District Foundation is seeking student artists to participate in our annual art show supporting Santee School District arts programs.

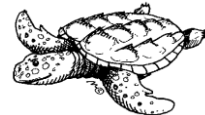

What does that mean?

You would submit an original piece of artwork that is 8x10 and your family would donate \$20.00 to have it framed. You would pick it up at our upcoming Art Show and Auction at the Boys and Girls Club of East County - Santee on February 28, 2012. The event begins at 6:00 pm. Your work will be on display!

If you choose not to have art framed, you can also donate an original piece of 8x10 art to the Santee School District Foundation. Donated art may or may not be used at the event.

Here's how it works:

1. You create an original piece of art or submit a photograph that is 8x10 and represents this year's theme: UNDER THE SEA. (more information below)
2. If you pre-paid the \$20.00 donation, (checks made out to the Santee School District Foundation) your framed art can be picked up at beginning at 6:00 pm on Tuesday, February 28, 2011, at the Boys and Girl's Club of East County - Santee during the Art Show and Auction. This event is always a lot of fun, so be sure to bring your family and friends!
3. If you donated your art, you still want to come to the Art Show and Auction. There will be a lot of great things to see!
4. You must complete the entry form that is attached. Please attach your photograph or your own creative piece of art that is suitable for 8x10 framing. Any art submitted to be framed REQUIRES an entry form with a parent signature.

This year's theme is UNDER THE SEA.

Living in the San Diego area gives us great access to the ocean through recreation activities, relaxation, and enjoyment of its power and beauty. This year submitted art will reflect our big blue neighbor and the nature that lives within. How will you show the beauty of THE SEA?

ALL ENTRIES ARE DUE TO YOUR SCHOOL OFFICE BY FEBRUARY 8, 2012!

Questions? Just contact your Vice Principal or Suzie Martin, Vice Principal at Cajon Park School, suzie.martin@santeesd.net or 619-956-2403.

Please complete the entry form below and return it with your art.
