# ADVENTURE IS CALLING!

When you sign up your son for Cub Scouts, you're signing him up for much more than an after-school activity. Whether he's camping for the first time or you're helping him catch his first fish, your son will be taking part in activities that are fun, as well as building his character and starting him on a path to success. While there are lots of cool badges to earn, the experiences you both have along the way will be the true rewards!

# Join Cub Scouts!
