Explore – Learn – Create!
Technology and fun are at the core of this
half-day workshop for students district-
wide in grades 6 – 8.

Exploration Day provides students with
the opportunity to experiment with some
of the latest technologies including digital
video editing, green screen videos, web
page design, podcasts, and a variety of
free online creativity tools.

To register, please complete and return the below form,
or sign up online at: <http://www.santeesd.net/Page/5975>

Student Name: _____ Grade: _____
School: _____

Of the sessions below, please check the two you would most like to attend.
(Please note: You will only be enrolled in one class)

- Create dynamic videos using an iPod and iMovie
- Create your own podcast, to include voice, pictures, and music using GarageBand
- Produce your own stop-motion animation movie, using green screen technology
- Author your own website, using free online software
- Create a variety of cool projects, like comics, movies, and more, all with free online tools
- Illustrate your own vector graphics animated cartoon, just like you see on cartoon shows
- Create interactive brochures, websites, Flash files and more with Share
- Stop making Power Points, and start making Prezis, a cool tool that will blow your classmates away

Please return to your school secretary by January 17. Classes are filled on a first come, first serve basis.
