- Signups are August 9, 10 and 11, 6:30-8:00 pm and August 13, 8-9:30 am for all grades. This is an evaluation/signup, so girls should arrive prepared to play. Deposit is \$75. Total cost is \$375 (\$150 due September and October 1st)

We strive for development of the players as a whole person, not just an athlete. We run fundraisers during the season to help any who need help with payments. If you want to play, we want to make that possible. Check the website for more details, or send us an email. All fees are available in a monthly payment plan. Hope to see you on the court!
