

Welcome Back to School Roadrunners 2020-2021!

Dear Rio Seco Families,

I hope this letter finds you well. As you know, we will be starting the year with distance learning. Students will be working with their teachers virtually on academically rigorous learning. Schedules, directions, and notes will be sent home from teachers via the email we have for you on file. We want students to start school right away (Distance Learning) on Wednesday, August 19th. When local mandates allow, we will migrate to in-person instruction.

We are walking a new and unfamiliar path but together we will continue to make great things happen!
