- Advisory Committee for Instruction
- Budget Advisory Committee
- Calendar Committee
- Character Education Committee
- Communication Committee
- Facilities Committee
- Safety Committee
- Special Education Advisory Committee
- Wellness Committee

The charge of the committees is to:

- Participate in training and workshops, as needed, to understand content areas and the process,
- Review the present plans in place,
- Review needs assessments submitted by schools and departments,
- Review options, recommendations, priorities based on a strategic plan, and potential revisions,
- Develop recommendations for use in preparing future plans, and
- Present a report to Board annually.

Most committees will meet monthly during the months of October through June during afternoon or evening hours. The membership term is 2 years. Some committees meet only as necessary.

Additional information about each committee may be found under the Board Committee tab on our District website at: www.santeesd.net.

The Board will select committee members from a list of those who have submitted an application form. No prior knowledge or experience is required. **Applications are due by 4:30 p.m. on Wednesday, September 28, 2011.** The Board will review all applications and confirm appointments at its meeting on October 4, 2011. Please refer to the application form on the reverse side.

Membership on any of the committees will require a commitment from those selected and will serve a very important need in the District as an advisory body to the Board of Education.
