## BOARD ADVISORY COMMITTEE MEMBERS NEEDED

The Board of Education is seeking to fill vacancies on advisory committees with broad-based representation from parents, community members, the business community, professional association leadership members, and employees. The advisory committees are:

- Budget Advisory Committee
- Calendar Committee
- Character Education and School Climate Advisory Committee
- Communication Committee
- District Advisory Committee (DAC)
- District English Learner Advisory Committee (DELAC)
- Special Education Advisory Committee
- Wellness Advisory Committee

The charge of the committees is to:

- Participate in training and workshops, as needed, to understand content areas and the process,
- Review the present plans in place,
- Review needs assessments submitted by schools and departments,
- Review options, recommendations, priorities based on a strategic plan, and potential revisions,
- Develop recommendations for use in preparing future plans, and
- Present a report to Board annually.

Most committees meet monthly during the months of October through June during afternoon or evening hours. The membership *is limited to a one (1) year term*. Some committees meet only as necessary.

Additional information about each committee may be found under the Board Committee tab on our District website at: [www.santeesd.net](http://www.santeesd.net).

The Board will appoint committee members from a list of those who have submitted an application form. No prior knowledge or experience is required. **Applications are due by 4:30 p.m. on Monday, September 9, 2019.** Applications will be reviewed and members will be appointed at the School Board meeting on September 17, 2019.

Membership on any of the committees will require a commitment from those appointed and will serve a very important need in the District as an advisory body to the Board of Education.
