

21st Century Learning Committee

A G E N D A

March 14, 2013
3:30-5:00
Rio Seco
Multi-purpose Room

Objective: 1) Identify and define a list of the foremost 21st century skills, and 2) Design and implement a professional development plan that uses 21st Century Skills as the foundation for transitioning to the Common Core State Standards.

- Welcome and Introductions
- The work of the committee leading up to this point
- Discussion regarding established deliverables
- Agreement to the source of identified 21st Century Skill list
- Identify foremost skills
- Begin to define skills – how will we do that?
- Adjourn
