

Strategic Planning – Multiple Assessments

AGENDA

March 14th, 2013
3:30 – 5:00 PM
Rio Seco
Multi-purpose Room

Objective: Identify and select an assessment system that reflects and supports the Smarter Balanced Assessment system and various item types.

- Welcome and introductions
- Strategic planning purpose
 - Review of Santee School District Prioritized Actions
 - Discuss connection with other committees
- Benchmark assessment discussion
 - Brief discussion on current status - needs
 - Small group work - Guiding questions
 - Full group discussion
 - Begin search for benchmark assessment based on feedback
- Assignment for next meeting – CCAS, Smarter Balanced Sample Items, etc
- Adjournment

Guiding Questions:

- What are you trying to accomplish, fix or avoid related to student benchmark assessments?
- What are your plans for ongoing (short-cycle) assessments that focus on skills and prerequisite skills (missing foundational skills)?
- What are your subject area focuses? (Reading, Language, Math, Science)
- When partnering with an assessment company, what do you look for in them to support your long term needs?
- How important is Professional Development to support teachers in their ability to use data to inform classroom instruction?
