Peter Diehl, Parent of Carlton Hills Student Facilitated the meeting

1. Review of Inclusion Guideline – The group revised the Family and Community Center Partnership Guidelines. Please see revised draft. Next month we will look at the guidelines again and then get some legal advise before taking them to the Board of Education in December.
2. Opportunities: Santee School District submitted a pre-application to Kellogg Foundation to expand the concept of the i3 grant to support parents and a family resource center. This grant would families with students in pre-kindergarten through 3rd grade who are low income. Santee Solutions Coalition was awarded a Drug Free Communities Grant that could participate in the family resource center.
3. Family Strengthening Standards Training – was tabled until next month
4. Recruitment of parents – The group would like to recruit additional parents and school staff to participate in the SWB group. Each member will think about who to invite and we will discuss it at next month's meeting. Please bring additional parents or staff with you.
5. Successes and Announcements- Peter announced that his son Alexander Paul was born on Oct 9th. Tammy Marble was not at the meeting because she is becoming a new grandma. John talked about a new basketball league for 3rd-8th grade girls at Santana. The Live Well Expo will be on Oct18-19th and have lots of great programs and fun for families.
