PLEASE NOTE: IF YOU ARE USING AN E-CHECK FOR PAYMENT, always double check your routing and account number after you enter it. The system will not know if your account number is correct or not and will accept it as entered. When the system electronically sends the information to your bank and there is a missing or transposed number in your account number, your bank will reject the payment and send it back as invalid account number. Your account will be charged a $25.00 Returned Check Fee.
