For those approved between the 16<sup>th</sup> and the end of the month, their effective date is the first of the second month following their date of approval.

*Medical Underwriting means that you must answer all questions on a medical questionnaire. In some cases, an interview may also be necessary.*

Only the Summary of Benefits contains governing contractual provisions. #### 4. **THIS IS NOT MEDICARE SUPPLEMENT COVERAGE**

If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from UNUM. You may obtain a copy of the Guide by calling 1-800-227-4165. UNUM Life Insurance Company of America is not representing Medicare, the federal government or any state government.

#### 5. **LONG TERM CARE COVERAGE**

Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This plan provides coverage in the form of a fixed dollar indemnity monthly benefit if you suffer a covered loss of functional capacity or covered cognitive impairment.

The amount of the monthly benefit will be based on the plan of coverage you choose; any options you choose, if available, and the place of residence used for long term care.

#### 6. **BENEFITS PROVIDED BY THE SUMMARY OF BENEFITS**

##### **Monthly Benefit:**

You are eligible for a monthly benefit if you are assessed as suffering a covered loss of functional capacity or cognitive impairment. You must be under the regular care of a doctor according to the condition.

**NOTE:** Any Activities of Daily Living that you cannot perform without standby assistance on the date you become insured under the plan will not be considered when determining the extent of your loss.

A monthly benefit will become payable on the day after you complete the Elimination Period.

The amount of your monthly benefit will be based on the coverage options you chose and the place of residence used for long term care. If your coverage includes Professional Home Care Services, the benefit payment will be based on the number of days you receive these services each month.

**Activities of Daily Living** are bathing, dressing, toileting, transferring, continence and eating.

**Cognitive Impairment** means a deterioration or loss in intellectual capacity resulting from Alzheimer's disease or similar forms of irreversible dementia.

**Elimination Period** means the number of consecutive days during which you must continue to qualify to receive a monthly benefit before a benefit will become payable.

**Lifetime Maximum** means the maximum UNUM will pay you for all long term care benefits. You have your own Lifetime Maximum.

**Respite Care** means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you qualify for a Home or another similar place Monthly Benefit but benefits have not yet become payable, payments will be made to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your Home or another similar place Monthly Benefit for each day that you receive respite care.

## OPTIONAL BENEFITS

### **Total Home Care (Includes Professional Home Care)**

When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment.

### **Professional Home Care**

When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment and receive Professional Home Care Services.

If you do not receive Professional Home Care for a period of 30 consecutive days, premium payments will again become due. To continue your coverage, premium payments **must** be resumed on the next premium due date following this 30-day period.

### **Inflation Protection Provision - 5% Simple Inflation With Cap**

Your Monthly Benefit Amount will increase each year on January 1st by 5% of the original Monthly Benefit. Increases will be automatic and will occur regardless of your health and whether or not you are Disabled. Your premium will not increase due to automatic increases in your Monthly Benefit. In no event will the total Monthly Benefit Amount be more than 200% of your original Monthly Benefit Amount.

The benefit paid for the inflation protection provisions are subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

**Refer to the graphic Comparison Chart of all types of Inflation, located in Section 8 of this Outline of Coverage**

## 7. LIMITATIONS AND EXCLUSIONS

### • EXCLUSIONS

UNUM will not make long term care payments to you for:

- losses caused by war (whether declared or not) or any act of war,
- losses caused by attempted suicide (while sane or insane) or self-destruction,
- losses caused by commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law,
- losses or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,
- any days over fifteen days in each calendar year during which you are confined in any facility for acute care (acute care is medical care obtained as a result of an injury or a sickness requiring immediate medical intervention),
- losses caused by alcoholism,
- losses caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a doctor. ("Controlled substance" is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments) or
- losses caused by:
  - depression,
  - generalized anxiety disorders,
  - personality disorders,
  - schizophrenia, or
  - manic depressive disorders whether treated by drugs, counseling or other forms of therapy.

However, UNUM will make payments to you for conditions that are not psychological or psychiatric in nature, including Alzheimer's disease, multi-infarct dementia, or Parkinson's disease.

- **PRE-EXISTING CONDITION EXCLUSION**

UNUM will not make any payments for any loss of functional capacity or cognitive impairment that:

- is caused by, contributed to by, or results from a pre-existing condition, and
- begins during the first six months after your coverage begins.

A pre-existing condition is any condition that exists for which you:

- received medical treatment, consultation, care, or services, including diagnostic measures for the condition, or
- took drugs or medicines that were prescribed for the condition, during the six month period right before your coverage began.

UNUM calls this a pre-existing condition.

This pre-existing conditions exclusion will apply to all insurance that does not require evidence of insurability.

**THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.**

**8. RELATIONSHIP OF COST OF CARE AND BENEFITS**

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

- **COST:**

- **If you are an active employee**, you pay the cost of your coverage under UNUM's long term care insurance.
- **If you are a retired employee or a family member**, you pay the cost of coverage.

The rate you pay over the duration of your initial coverage or for any increases is based on your insurance age.

- **ELECTION TO INCREASE COVERAGE:**

You can apply at any time to increase coverage by filling out a new Benefit Elections Form and an Application for Long Term Care Insurance.

### 9. TERMS UNDER WHICH GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED

- **PREMIUM WAIVER**

- **Long Term Care Facility**

- When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment and reside in a Long Term Care Facility.

- **RIGHT TO CHANGE PREMIUMS**

- The premium rate will not increase because you grow older or because of your use of the benefits. However, the premium rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

- **PORTABLE COVERAGE**

- If the Employer or UNUM ends group long term care coverage, you or your authorized representative may elect portable coverage for you. This means that the same coverage you had under this plan can continue on a direct billing basis. Retired employees and any other persons who are direct billed will automatically transfer to portable coverage.

Any election for portable coverage must be made within 31 days of the date the group coverage would otherwise end. If so elected, you are a portable insured.

Any premium that applies must be paid directly to UNUM by you for any portable coverage to be continued.

Also, the premium rate schedule for portable coverage may change in the future, depending on the overall use of the benefits by all covered persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies.

Once on portability, you can apply at any time to increase coverage by filling out a new Benefit Elections Form and Application for Long Term Care Insurance which includes evidence of insurability.

If you voluntarily end your group long term care coverage, you may not elect portable coverage. However, you may be eligible to continue a percentage of your Monthly Benefit Maximum(s) and Lifetime Maximum Amount if you elected the paid-up coverage option and have met the requirements under that option.

- **WHEN COVERAGE WILL END:**

Your coverage will end on the earliest of these dates:

- the date the Summary of Benefits under the policy ends,
- the date you no longer are in an eligible class,
- the date your class no longer is included for insurance,
- the end of the period for which premiums were last remitted to UNUM for your coverage.
- the date you no longer are an active employee with the Sponsoring Organization.

## 10. **ALZHEIMER'S DISEASE AND OTHER ORGANIC BRAIN DISORDERS**

UNUM will not make long term care payments to you for losses caused by neurosis, psychoneurosis, psychopathy, psychosis or mental or emotional disease or disorder of any kind whether treated by drugs, counseling or other forms of therapy.

However, UNUM will make payments to you for conditions that are not mental or nervous in nature, including Alzheimer's disease, multi-infarct dementia, brain injury, brain tumors, or other such structural alterations of the brain.

## 11. **PREMIUMS**

Premiums are based on the plan design selected and the Insurance Age of each enrolled person. UNUM may change the premium rates when the terms of the Summary of Benefits are changed.

## 12. **ADDITIONAL FEATURES**

- Medical underwriting may be required
- Eligibility and Participation  
You are eligible for the plan if you are:

**NOTICE TO APPLICANT REGARDING REPLACEMENT  
OF ACCIDENT AND SICKNESS, NURSING HOME OR LONG-TERM CARE INSURANCE**

**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to the information you have furnished, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with long-term care insurance coverage to be issued by Unum Life Insurance Company of America. Your new coverage provides thirty (30) days within which you may decide, without cost, whether you desire to keep the coverage. For your own information and protection, you should be aware of and seriously consider certain factors, which may affect the insurance protection available to you under the new coverage.

- (1) Health conditions which you may presently have (preexisting conditions), may not be immediately or fully covered under the new coverage. This could result in denial or delay in payment of benefits under the new coverage, whereas a similar claim might have been payable under your present coverage.
- (2) You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- (3) If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all the information has been properly recorded.

**LONG TERM CARE INSURANCE  
 PERSONAL WORKSHEET**

Applicant Name: \_\_\_\_\_  
 Social Security Number: \_\_\_\_\_  
 Group Policy Number: \_\_\_\_\_

People buy long term care insurance for many reasons. Some don't want to use their own assets to pay for long term care. Some buy insurance to make sure they can choose the type of care they get. Others don't want their family to have to pay for care or don't want to go on Medicaid. However, long term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and ask you to fill out the rest to help you and the company decide if you should buy this long term care insurance coverage.

**Premium Information**

The premium for the coverage you are considering will be \$ \_\_\_\_\_ per month, or \$ \_\_\_\_\_ per year.

A rate guide is available, that compares the policies sold by different insurers, the benefits provided in those policies, sample premiums, and the history of rate increases, if any, for those policies. You can obtain a copy of this rate guide by calling the Department of Insurance's consumer toll-free number (1-800-927-HELP), by calling the Health Insurance Counseling and Advocacy Program (HICAP) toll-free number (1-800-434-0222) or by accessing the Department of Insurance's Internet web site ([www.insurance.ca.gov](http://www.insurance.ca.gov)).

**Type of Policy** - guaranteed renewable.

**The Company's Right to Increase Premiums:** The company has the right to increase premiums on this policy form in the future, provided it raises rates for all policies in the same class in this state.

**Rate Increase History:** Unum Life Insurance Company of America has sold long term care insurance since 1988; the B.LTC policy series has been sold since 1990, the GLTC95 policy series has been sold since 1998. The company has not raised its rates on these or similar policy forms in the last ten years.

## Things You Should Know Before You Buy Long-Term Care

### Long-Term Care Insurance

- A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
- You should not buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

### Medicare

- Medicare does not pay for most of long-term care.

### Medicaid

- Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should not buy this policy if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance and some of your joint assets.
- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local and state Medicaid agency.

### Shopper's Guide

- Make sure the insurance company or agent gives you a copy of a booklet called the "Guide to Long-Term Care". Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

### Counseling

- Free counseling and additional information about long-term care insurance are available through your state's insurance counseling program. Contact your state department on aging for more information about the senior health insurance counseling program in your state.

FOR MASSACHUSETTS RESIDENTS ONLY

**Re: Long-Term Care Insurance Policies Issued in Massachusetts that are Intended to Qualify Insureds for Certain MassHealth Exemptions**

The purpose of this notice is to describe the minimum coverage requirements needed to potentially qualify for exemptions from some MassHealth eligibility and recovery rules. Information about these coverage requirements is also available in the publication *Your Options for the Financing of Long-Term Care: A Massachusetts Guide*. The Commissioner of Insurance has instructed all long-term care insurance carriers to provide this notice to clarify the coverage requirements associated with MassHealth exemptions.

Buying long-term care insurance in Massachusetts that meets certain standards may qualify the insured for exemptions from some of the eligibility and recovery rules under the Massachusetts MassHealth (Medicaid) Program. **It is important to note that MassHealth minimum coverage requirements are based upon benefits available as of the day the individual enters a nursing home, not what is available on the day the person buys a policy.**

One of the existing requirements to qualify for MassHealth exemptions is that an individual's long-term care insurance must have benefits available to pay at least \$125 per day for at least 730 days (2 years) of nursing home care as of the day the individual enters a nursing home.

Although a long-term care insurance policy may satisfy the MassHealth minimum coverage requirements at the time it is purchased, if the insured uses the policy to pay for non-nursing home benefits (e.g., home health care, personal care or assisted living benefits), the amount of benefits available to pay for nursing home care may be reduced. Depending upon the original maximum benefit and other benefits that may have been used, the policy may not meet the MassHealth minimum coverage requirements as of the day the individual enters a nursing home.

For example: a person purchased a policy with 730 days of nursing home and home health care coverage and, prior to entering the nursing home, used 100 days of coverage to pay for home health care services. On the day the individual enters the nursing home, the person would have 630 days of coverage left to pay for nursing home care. This is less than the minimum 730 days of nursing home coverage required for certain MassHealth exemptions.

It should also be noted that a long-term care policy with an inflation protection benefit may ultimately satisfy the MassHealth minimum coverage requirements, even if the policy failed to meet the MassHealth minimum coverage requirements on the day it was purchased. For example, a policy that initially had a \$100 per day benefit with an annual inflation adjustment could potentially increase over time to meet the MassHealth minimum coverage requirements as of the day the person enters a nursing home.

Qualifying for insurance benefits is independent from qualifying for an exemption under MassHealth. For more information, contact your agent or read *Your Options for Financing Long-Term Care: A Massachusetts Guide*.

Please be aware that laws may change and the exemptions and the MassHealth minimum coverage requirements that exist today may not necessarily be the same in the future (or might not exist at all).
